

Printer Support

Post Warranty Support

Sherlock Services is an independent service provider on many different brands of printers, such as HP, Zebra, Printronix, Lexmark, Canon, Epson, Okidata, Monarch, and Tally / Genicom. We offer service contracts or T&M support in most major cities across the U.S. along with a large inventory of refurbished printers.

Sherlock Services

Over 25 years of experience and dedication supporting multi-vendor environments

Sherlock Services is one of the premier post warranty providers of hardware and software support for HP, 3PAR, Hitachi, Compellent, IBM, LSI, Dell, Sun, EMC and various other products. The Sherlock Services Mission is to maintain our customer's infrastructure so that they can operate 24x7x365 without interruption to their business.

Sherlock Services offers support contracts that vary from 5 day - 8am-5pm next day response to 24x7 - 4 hour response depending on your needs. With local parts and technicians, we are able to solve hardware failures quickly and cost effectively. With our Proactive Health Check Assessment, we discover potential problems in advance to avoid possible future downtime. Our support technicians are fully certified and are capable of performing assessments, installation, maintenance, and administration of all systems, storage, printers and peripherals.
